Use the back of this page to list works to be performed. **Pianists** must perform one movement from a classical sonata by Mozart, Haydn or early Beethoven (up through Op.31) and a romantic or contemporary work. All works must be memorized. **Singers** should offer any combination of arias and art songs (at least one of each) from contrasting style periods in English and three other languages. You must provide your own accompanist. All works must be memorized. The judges will score you lower if you do not adhere to the requirements.
